1.1.1 The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment

Curriculum planning: SSPM's V P College of Pharmacy, Madkhhol offers 1 UG (B. Pharmacy), 3 PG (M. Pharmacy – Pharmaceutical Chemistry, Pharmacology and Pharmaceutical Quality Assurance) and 1 D. Pharm course. The Institution is affiliated to Dr Babasaheb Ambedkar Technological University, Lonere and Maharashtra state board of Technical Education and follows the curriculum as prescribed by Dr Babasaheb Ambedkar Technological University and Pharmacy council of India. Curriculum and syllabus are distributed to the students at the time of induction for giving awareness. The period in which the syllabus is to be completed and the schedule for theory and practical are clearly specified with time line. Faculty of the institution take part in planning of the curriculum and the syllabus as members of the BoS.

Academic calendar:

Academic committee prepares institutional academic schedule stating the class commencement, syllabus completion dates, theory and lab examination dates, preparation holidays, semester end exam commencement dates and closing of classwork for respective programs in tune with university academic calendars for different programmes. During pandemic time, the institute has revised the activities from offline to online mode and accordingly activities were conducted. The academic committee regularly monitors the university website for the release of revisions in academic calendar. The changes in university academic calendar if any are informed to exam cell for smooth running examinations and accordingly academic schedules are revised.

Curriculum Delivery:

The institute ensures effective curriculum delivery through a well-planned and documented process. Academic committee prepares time table, distribution of workload and subject allotments to respective faculty members. As per course allotted, faculty prepares course files. For the effective transmission and delivery of curriculum, the faculty adheres to timetable, integrates classroom teaching with various ICT tools, laboratory practical's, field works, student seminars, tutorials, mini projects etc. The campus is Wi-Fi enabled. The digital library facility is provided to the students to enable access to e-journals and books.

Continuous Internal Assessment:

The course pattern has continuous internal assessment and external assessment stake of 25% and 75% respectively. Continuous internal assessment consists of weightages prescribed as per the academic regulations. The conduct of internal examinations is as per the examination schedules prepared by exam cell in accordance with academic schedules. Course coordinators submits question bank to exam cell for the smooth conduct of sessional examinations. The Answer scripts evaluated by the faculty are distributed to the students in classrooms to maintain the transparency and rectify the grievances raised by the students. Project Monitoring and Review Committee monitors all research projects, seminars and practice school through project review meetings periodically. The schedule of external examinations is fixed by the university and the same is displayed on notice boards for students.

All endeavours are made by the institution to adhere to the academic calendar for continuous internal evaluation. Academic committee will ensure time tables, workloads, academic schedules for smooth syllabus completion and exam cell will ensure the conduct of CIE as per examination schedules.

Impact:

1. Effective curriculum implementation strategies led to strengthened teaching learning processes.
2. Consistent pass percentage of more than 90% during the last five years.
3. 80-85% students placed in reputed companies and 17-20% higher studies.
