.

Require- Biometric attendance for students, Transport system for students, wifi campus

Nothing

Good

Teacher should encourage students to learn job oriented skills.

I think ,in teaching mostly focused on practical work with theory.and To enhancing growth and skills of students ,institution focusing on internship project

Providing all good facilities

55 responses

Teacher should explain some difficult concept in simple languages....  
Attendance should be given correctly sometimes it not giving proper attendance...  
And should give opportunity to visit industry level.....

Change the Teaching Skills

.

No

..

Teaching is good

Good

Use multiple references to understand concepts

Teacher should explain some difficult concept in simple languages....  
Attendance should be given correctly sometimes it not giving proper attendance...  
And should give opportunity to visit industry level.....

Teachers should explain some difficult concept in simple language like marathi.....  
It is very difficult to understand the difficult concept in English

Give opportunities to students to visit the industry for experience and learning  
Lecture should conducted in morning session and practical in afternoon session

More explanation to teaching and learning

Yes

Teacher should explain some difficult concept in simple languages.

Management class at teaching time

No suggestion

Providing all good facilities

Over all performance is very good I think no need to improvement the overall teaching

All teacher teaching is good 👍

...

Nothing to suggest..!

The overall teaching is very good no need to suggest anything to improve

Connect with students

Connect with students

1) Lecture will be held according to the timetable.

No suggestions

Use better graphics

Try to cop with students

Should have instructional objectives with students

Teachers need to communicate as well as they should not do partiality. most of the teachers do partiality

No any suggestion

Just try to interact with students.

Request the university to display the result on time.

Good

I thing no need to improvement

No need to improvement

No suggestions

Effective and add imp points briefly for knowledge & skill development.

Suggested to enhance communication with student

No any suggestions

There should be as many experienced teachers as possible who will share their experience of industrial as well as competitive exams which will be useful to the children in future, internship should be taken, focus on improving students skills

Good teaching 👍

Good teaching 👍

There should be appropriate equipments and apparatus and also chemicals in every laboratories....there should be improvement in canteen area and campus area

Enternship program

Overall teaching is good..... teachers well explained topics.... concepts was clearly understood.

21. Give suggestions to improve the overall teaching – learning experience in your institution.

82 responses

..

.

Teacher should explain some difficult concept in simple languages....

Attendance should be given correctly sometimes it not giving proper attendance...

And should give opportunity to visit industry level.....

Overall performance is good I think I don't need to suggest to improve the overall teaching

No suggestions

Nothing

-

Teaching is good

Good

Use better graphics

Ok

Teacher teach with there own experience and quality

Yes

It's already excellent

Use examples while teaching the topic for proper understanding

Teaching improve

Promote The Experience-based Learning. ...

Teachers voice can't be heard from last benches in seminar hall.

Cleaning department not work properly

Improving the teaching ability besiding all personal ego and mostly try to engaging with students while teaching

Everything is fine

Teacher should explain some difficult concept in simple languages...

No

Teacher should teaches subject as entrance base and ongoing new ideas

Providing all good facilities

Provide all essentials facilities

No any doubts about teaching staff.

No suggestions

Providing good facility

Not so

Teachers and institute mite have to improve their teaching skills and provide more practical information and include us to do more practicals than theory.

Good teaching 👍

There should be proper discipline.

There should be conduct more activities towards the field.

Teaching is good .

The institute was in Progress To improve

Mostly plz discuss main imp points

Good

Lectures should be conducted in morning session instead of afternoon session

Everything is good and excellent

Lecture in morning session

More interactive n allow extracurriculum visits

Lecture morning section

More communicative

No

.....

Improve teaching staff

There should be Calibrated equipments in laboratories

Connect with students

Try to cop with students

..

Teacher should be use the blackboard rather than projector for teaching the student, because it is better way for understand the concept.chemicals which used for practical session it should have proper storage condition, because sometime due to there contamination result of practical does not obtained.

Teacher teach with there own experience and quality.

Enhance Communication with students

Teachers should treat each student equally and should not do any partiality.

Teachers should avoid doing partiality towards students.

No need to improvement

I think no need to improvement

Improve the explaing, and make the teaching intresting 😊

Improve more

No any suggestions

Use strategy to clear concept

Overall teaching is good but Practical performance is not as expected. I think attempt must be made more..to increase practical accuracy

overall teaching is good in my opinion there is no need of any suggestions!

Nothing required
