3.4.1: Outcomes of Extension activities in the neighborhood community in terms of impact and sensitizing the students to social issues for their holistic development during the last five years.

V P College of Pharmacy is involved in and contributes to a wide variety of public issues, which are subsequently addressed through the involvement of the community and technical professionals. The NSS section of the Vice President of the Council of Presidents is effectively carrying out a broad variety of service-oriented programs. There were a number of different efforts that the National Service Scheme (NSS) successfully organized, including an anti-ragging awareness campaign, active support for the Swatch Bharat program, and effective coordination of blood donation campaigns. All of these activities were carried out within the allotted time period. The NSS unit is responsible for organizing a wide range of guest lectures on topics such as the protection of women, female entrepreneurs, and other types of general issues. The objective of the annual celebration of Yoga Day is to bring attention to the positive effects that yoga has on both the physical and mental well-being of individuals. A "Health care center" was established by V P College of Pharmacy with the intention of promoting nutrition, a diet that is well-balanced, and overall well-being. Guests staying at the hostel have access to a health club that features a variety of fitness facilities and medical services.

Students are encouraged to participate in community outreach projects via extension activities while they are enrolled at the institution. By going to the schools, orphanages, and low-income neighborhoods in the surrounding area, teachers and students are able to interact with the local community that is disadvantaged and provide assistance to them. To encourage compassion and preventative medical care, the organization organizes a variety of events, including blood donation drives, medical clinics, social awareness campaigns, and other additional activities.

The organization conducts social awareness events with the purpose of teaching youngsters living on the streets and elderly people who are unable to provide for themselves how to create revenue and/or provide them with the opportunity to integrate into orphanages and senior homes. in the sequence that was specified. As part of their commitment to corporate social responsibility, students participate in volunteer work in their local communities.

Through the multiple support systems it maintains, the institution provides services to the community. Tree planting, health festivals, awareness campaigns, ecological projects, celebrations of National Day, village adoption, and school adoption are just few of the activities that the NSS cell of the V P College of Pharmacy participates in while actively participating in a variety of events. The Vice President of the United States of America (V P College of Pharmacy) is actively involved in a number of programs that try to raise awareness of a variety of issues, including pollution, Swachh Bharat, energy conservation, groundwater development, the ban of plastics, and an ecologically friendly Ganesha campaign, The committee in charge of the celebrations organizes a wide variety of religious holiday activities with the aim of promoting religious equality and furthering the development of national traditions and culture. Diwali, Ramadan, Holi, Raksha Bandhan, Ganesh Pooja, Christmas, and Janmashtami are some of the holidays that are involved in the celebrations.
