4.2.1: Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students.

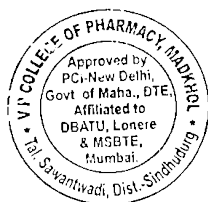

The library at **VP COLLEGE OF PHARMACY** is an essential resource for faculty and students seeking to expand their knowledge. Spanning an area of 150 sq. m. and equipped with seating for 100 users with comfortable chairs and tables and a peaceful environment, the library offers a comfortable and accommodating space for studying and research. Our collection comprises various types of books. It encompasses textbooks, reference books, journals, and their previous volumes. Furthermore, we offer a wide range of books for general reading, competitive examination preparation, and enhancing soft skills. The library operates from 10:00 a.m. to 5:30 p.m. on all working days and is maintained by supportive team members.

The institute library operates under an Open Access System, featuring double-facing racks that house books organized by subject and number. Display boards are strategically placed to assist users in locating materials.

The library provides a comprehensive collection of 3448 volumes of books, encompassing 703 titles, that fulfill the needs of B.Pharmacy program as well as general books for competitive exams, spiritual magazines, and student's mental abilities. In addition, the library subscribes to numerous e-journals, national and international journals, periodicals, newspapers, project reports from undergraduate students, previous years' question papers, and books related to competitive exams.

Library facilities:

The library is fully automated with an online public access catalog (OPAC) that enables users to search for information using a variety of criteria, such as author, subject, title, and keywords.
